BLACK BLOOD BROTHERS

THE ANIMATIONS~

Fable.01

サイオウガウマ

"Inscrutable are the ways of Heaven."

presented by

Kôhei Azano (original)

Akitsugu Fujino+Satoru Yonekura (comic)

A PLACE WHERE HUMANS AND
VAMPIRES SECRETLY CO-EXIST,
WHERE DAY AND NIGHT GO HAND
IN HAND, THE VAMPIRES ...

IN THE DARKNESS
OF THE NIGHT ...
THE BLACK BLOODS'
RADIANCE GROWS.

ON THE COVER SCENE, FLASHES
BETTER PEOPLE CAN COMPREHEND.

ALL ONE NEEDS IS A RED+ WHITE
-JUST+ ENOUGH FOR VAMPIRISM

So this zone remains stabilized?

Is that so?

We maintain public order here by denying the admittance of troublemakers.

078-000

I know ...

We were sent by that "Company" to investigate. That ... is why ...

A few days ago, a gang of thugs turned up ...

Over there is the "Company". Humans and vampires work together to keep the order.

078-000

Ah, Mink-san, you're so rude to the people who work for you ...

You should not be eating while you're working!!

Good, you two!

You'll be my 'clean up team' in exchange for my 'hospitality'.

CL the Hand forms the usual "Close"

We're not humans; we're vampires.

Aniya ...

CL's pocket

CL Aniya means "Older Brother"

"sigh"
Aren't we vampires such poor things?

Ha ha ha!
That's right, Kotarou ...

AH!!

We did it
for this
girl's sake.

I don't mind
leaving that
guy behind.
He was their
accomplice.

EH
?!?!?

Now that
I think
about it,
you left our
tour guide
behind?
What are
you going to
do about
your for-
getfulness?!

forget-
fulness

Shit! So he
turned out
to be bad.
that four-
eyes!!!

Ugh
...

When we
heard her
scream, he
was already
long gone ...

...
in order
to sneak
away, so
to speak.

Four-
eyed
?!

THAT
FOUR-EYED
LAD!!

WHAAAA

So
that's how
it was
...

I
see
...

Kotarou ...
'love cares not
about age
...

En?! The
four-eyes ...
from before?
Wasn't he
an old man?

We found
you ...
'Company'
people ...

Who
are these
people?

My, my ...
So you
followed
us here ...

The lying
four-eyes'
friends
...

That four-eyed
bastard ... to
save his own skin,
he gave us this
delicious food
...

But it
seems like we
got a little bonus
to go along with
it ...

©Chrysomel

Yo!
Little prin-
cess from
before!
Thanks ...

21. Qou-san is a pretty man of saying this

Those bastards were careless!!

Just two vampires?

Annihilated, you say?

Impossible!

He turned everyone into ash.

A guy in a red jacket came, and he suddenly pulled out a katana ... and in the blink of an eye, I thought ...

... could it be ...?

A katana?!

If I'm not mistaken, that guy has a "Silver Katana".

I heard that there's a very powerful vampire working with the "Company".

... It's only a rumor, though

Do you know something?

"Silver Katana".

... you say?

... that murderer!!

It can't be ... 'Gin Tou'

!?

GWAAA!!

SFX: steps

I'm the
"Company's
Negotiator".
Katsuragi Minika's
'clean up team'.
Mochizuchi Jinou.

Ba ...
bastard
...!!

Ah,
I'm so
glad ...

Every-
one is
present
...

Ah ...

Now that
I've introduced
myself, I have no
choice but to
kill you.

Tchl

GET
HIM
!!!

Well, then ... according to the report I got, you guys like to go around wrecking havoc ...

SFX: kyan - grab

SFX: Para Para - stepping

Eh
...?

You said
before that
love cares not
about age!

Ah... err... that
is-- I mean, I'm a
vampire! That is--
You see, you and I
We can't
compare...
I'm really old!!

I'm over
a hundred
years old!

EHHH
?!

No... I
mean... that is
... I...

Whaa...?
Anjo, I
wanna play,
too!!

Weapons
...?

Got it ...
It's all right.
I don't mind

Fable 02

ゴエツドウシュウ

"Mortal enemies in the same boat"

SFX: falling & shattering

We have no choice. I was told by the "Company" to stop you ... and there are various other reasons, too ...

At any rate ... why Zelman?

So it's not here anymore? Shall we go back?

If you must go back, you'll have to do it alone.

I'm a vampire hunter. To allow vampires to escort me ...? Don't mock me!

So ...
what-ever
...

Hmph ... if you
fight with a hunter,
they'll retaliate.
It has nothing
to do with you.

You're good
...
You seem to be
pretty popular,
huh?

SFX: pop - click

SFX: at - click

You, there
... shut up
and watch.

Wait a min-
ute! You're
being selfish!
It doesn't
bother us
...!

What will
Mink-san
say if
anything happens
to you?

-Cross Scanlines-

SP2, do do do do do do - popping

You guys ...

Tch!

Mova ...

What in the world ... is this ...?

What are you doing here?

Can ...

Why did you bring such an infamous person to this place? Did something happen?

... I can hear what you're saying, you know ...

... to chase that organization away ...

My, my ... is his timing good or bad?

Nope ... it's not bad ... it's the worst ...

Got it?
Get out
of here!!

You hear me?
Don't let me
catch you snoop-
ing around!!

Cain-
sama
...

Right ...
We'll go
now.

You were one
of the many
heroes in the
Hong Kong
Holy War.

...
HUH
?

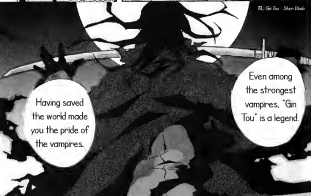

... is as
sharp as a
knife ...
He's an Old
Blood, after
all ...

That
man
...

You
take care
of your-
self.

Thank
you ... very
much for the
advice.

You are
very obser-
vant, as
well ...

TL: Gin Tou - Silver Blade

Having saved
the world made
you the pride of
the vampires.

Even among
the strongest
vampires, "Gin
Tou" is a legend.

Are you
really
leaving?

Oh, well, but a
vampire like you
being able to do
that ... That is
certainly hard
to believe ...

Eh ...
Err, that
is ...

Just stay
there quietly
and sleep.

Ho ...
holy water
spray ...?

He does
have good
equipment
...

Are you
sure it's all
right, even after
what I said earlier
about Zeiman?

Please
wait
!!

Y ...
yes!

Ko ...
Kotlarou,
follow him!
I'll come later,
after I've
rested ...

SPX: gwww - flower

I don't understand why there's so much excitement about this 'hunter' person'. I was sent by Zelman-sama to investigate.

I am looking for the 'hunter' that Mimiko-san spoke of.

Do not concern yourself. That hunter poses no threat to Zelman-sama.

I made my little brother follow him.

I'm so glad ... This hunter you're talking about ... He just left for Zelman's place.

SFX: gun - dropping

That is regrettable, but it doesn't concern me.

I must give my report to Zelman-sama.

No, it's the opposite: I'm not worried about the hunter harming Zelman. I'm worried about Zelman killing him ..

If you'll excuse me ...

EH
Wait ?
a minute, please -

See

Ah ... I don't think
I can move ...

SFX: open

I see ...
that smuggling ring has
been giving us
problems.

These
guys be-
long to a
smuggling
ring.

They've
been conduc-
ting business at
your place,
"Koun".

Are
you
cl
right?

1/10

Problems
...? What
kind of
problems ...?

Eh
Ye ...
yes ...

That
doesn't
matter
now ...
does it?

SFX: shuffling

SFX: jolt + crash

That story
was true,
wasn't it?

Whoa ...?
Mister-san
...

SFX: perspective + echo

No ...
Not only
that ...

Are those
what they
plan on selling
to Zeiman-
san?

EH
...?

There is
a mountain of
weapons and
ammunition in
here ...

Caros Escalations

AH!

I
knew
it!

There're
people in
this box,
too!

KATZ - loud noise

Those
guys?

Those
guys ...

How low
will they
fall ...?

Slave
trade

Do they
plan to give
Zelman this
as a trib-
ute?

SP's fucosa - yaman

I thought
I heard a
noise ... Was
that you,
Kotarou?

What
was
that?

Eh?

ZEL-

Long
time, no

tarou.

I don't know anything about that. I was just called here, myself ...

Why are those people stuffed into these boxes?

Ah, that's right! Zelman-san, what about these people?

Huh?

Ere that is ... this person is a famous 'Vampire Hunter'. He's hunting Zelman-san ... I mean, he came to meet Zelman-san!

WAA!
WHAT SHOULD I DO...?
HELP ANJIM!

Hmph ...

A 'hunter', huh ...?

By the way, Kotarou ...

mean?

I have no
intention
to fight
you.

Please
restrain
yourself
...

I've been
after those
guys for a
long time.

My purpose
is not to fight
you. I'm here to
fight the ones
who are trying
to get close
to you.

there's trouble

That old

not to inter-
fere ... just shut
up and watch.

Your purpose
wasn't to
meet Zelman,
was
it?

I don't need
your help.

If I don't
stop this guy
with my own
hands ...

Stay
back!

I thought that
if I waited here,
I'd eventually
meet them ...

I didn't come to
ask Zelman-
dono about
these people.

Hmph!

To these
heretics

This Father

them ...

I'm just the

I was a worthless human who had to scrape to get by ... I'll take revenge on *her* behalf as a vampire against humans!

That's how you are ... Just because someone is a different race, it's easy for you to get rid of them ...

Isn't your hatred for your father making you the same as him?

What you're doing ...

You're a vampire. Don't you understand?

Our healthy, strong bodies ... Isn't being a vampire great?

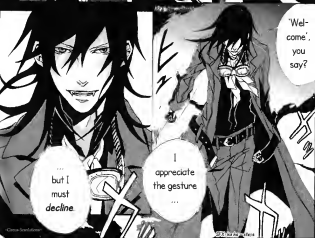

At best, those filthy humans are only good enough to be used as food.

What the hell do you mean by that?

What

...
what the
hell is
he?!

!!

Your
guns ...!!

Return
fire ...!!

It'd be
good if you
cleared out of
here ...

I tell
you, you
guys certainly
have some drama
among your
ranks ...

Tch! Just when I finished taking care of matters on my own!

Why is it that people show up late?

Cain-san!

This is a pain!

So there are a lot of people, eh?

How many reinforcements do you need when you do unnecessary things?

They are the heroes of the Hong Kong Holy War

What is their strength? What in the world are those two?

... and
I, myself,
am their
comrade.

ONE PAGE SURPRISE

It's different from keyed or percussion instruments. A violin isn't something that an amateur can get up and play on the first try.

It's impossible. You can make sounds, but to gain skill is tougher.

Can I play those, too?

Piano and timpani.

Keyed instruments ...? Percussion ...?

You play really well.

Me ...?

So it is just like I thought! You're amazing!

It makes
me want to
dance!!

... I
really like
the music.

Even though
I don't un-
derstand
difficult
things

It makes
me feel really
good, and it's a

Right,

I'm gonna

properly!

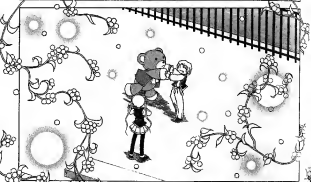

So, shouldn't
the person
playing it
be happier,

Jirou-

As if ... I
wanted to
see Jirou-san
in my dream this
morning ...

Really

I'm glad.

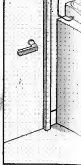

This
Naboritan

Jirou-san
is acting
somewhat
strangely
...

*I have
to tell him.
don't I?*

*Geez ...!
What kind of
violently erotic

that?!*

*I mean,
there won't

BUT ... I DON'T

THAT OTHER

WHAT AM I

That woman ...
She'll be fine after
she gets a blood
transfusion and
some rest
...

We vampires
are "sloves"
to "blood",
first and foremost
...

Of course!
One can be
misinterpreted.

It is the
'evolution'
of your own
desires.

But isn't
that like
an "under-
handed"
story?

Even if a
vampire's ex-
perience stead-
ily increases,
they have to
exercise self-
control ...

Was that ...
an indis-
cretion?

In this
day and age,
that's very
important
to our sur-
vival in this
world.

Well, today
I've learned
a very
valuable
lesson.

You're acting
kind of strange
today, Jirou-
san ...

YEP.

Is ...
is that
so ...?

It's
nothing ...
that ...

You looked at
that woman
strangely,
Jirou-san.

Could it be
that you wanted
to suck that
woman's
blood?

It's a deplorable vampire
physiological
phenomenon ...
Please smile

Honestly
speaking
...

I'm
glad.

Wh
...
why's
that?

You only
need to
drink a
little blood,
Jinzu-san?

This
month's
